

Audition Sides

A message from the Director…

Below you will see attached an array of sides that I have selected for this audition. Please familiarise yourself with the sides for the character you wish to audition for as your first preference. It is not expected that you will be off book for auditions; however, it is highly desirable as it will allow you to have more freedom when it comes to your movement and acting choices. If you have noted on your audition form that you wish to be considered for multiple characters, you may be asked to read for a variety of characters. Please note there are no sides allocated for the character 'Teen Angel'.

Grease is such a fun production set all around the 'stereotypes' of high school and the trials and tribulations they face as teens in the 1950's. And yep, you guessed it, no modernisation here, we are going back in time and giving the 1950's a Millennial Productions Edge. Although this piece is very light-hearted, I implore you to delve deep into these characters and give them depth and show us YOUR interpretation of that character. I want you to make your own creative choices and not just replicate what you have seen on YouTube.

Best of luck in your preparation for auditions and I look forward to meeting you.

Chookas!

ACT ONE SCENE SIX

Rydell High School Gymnasium

*(Scene: **SANDY** runs on with pom poms, dressed in a gym suit. She does a Rydell Cheer.)*

SANDY:

Do a split, give a yell
Throw a fit for old Rydell
Way to go, red and white
Win the game
Fight. Fight. Fight

*(***SANDY** *does awkward split.* **DANNY** *enters.)*

DANNY:

Hiya, Sandy.

SANDY:

Oh. Hi.

DANNY:

Hey, what happened to your ear?

SANDY:

Huh? *(She covers her ear with her hand, answers coldly.)*
Oh, nothing. Just an accident.

DANNY:

Hey, look, uh, I hope you're not mad about that first day at school. I mean, couldn't ya tell I was glad to see ya?

SANDY:

Well, you could've been a little nicer to me in front of your friends.

DANNY:

Are you kidding? Hey, you don't know those guys. They just see ya talkin' to a chick and right away they think she puts…well, you know what I mean.

SANDY:

I'm not sure. It looked to me like maybe you had a new girlfriend of something.

DANNY:

Are you kiddin'! Listen, if it was up to me, I'd never even look at any other chick but you.

*(***SANDY** *blushes.)*

SANDY:

Really?

DANNY:

Hey, tell ya what. We're throwin' a party in the park tomorrow night for Frenchy. She's gonna quit school before she flunks again and go to beauty school.
How'dja like to make it on down there with me?

SANDY:

I'd really like to, but I'm not so sure those girls want me around anymore.

DANNY:

Listen, Sandy. Nobody's gonna start getting' salty with ya when I'm around. Uh-uhh!

SANDY:

All right, Danny, as long as you're with me. Let's not let anyone come between us again, okay?

PATTY:

(rushing onstage with two batons and wearing a cheer-leader outfit)

HHIIiiiiii, Danny! Oh, don't let me interrupt. *(gives* **SANDY** *baton)* Here, why don't you twirl this for awhile. *(taking* **DANNY** *aside)* I've been dying to tell you something. You know what I found out after you left my house the other night? My mother thinks you're cute. *(to* **SANDY***)* He's such a lady-killer.

SANDY:

Isn't he, though! *(out of corner of mouth, to* **DANNY***)*
What were you doing at her house?

DANNY:

Ah, I was just copying down some homework.

PATTY:

Come on, Sandy, let's practice.

SANDY:

Yeah, let's! I'm just dying to make a good impression on all those cute lettermen.

DANNY:

Oh, that's why you're wearing that thing – gettin' ready to show off your skivvies to a bunch of horny jocks?

SANDY:

Don't tell me you're jealous, Danny

DANNY:

What? Of that bunch ah meatheads! Don't make me laugh. Ha! Ha! Ha!

SANDY:

Just because they can do something you can't do?

DANNY:

Yeah, sure, right.

SANDY:

Okay, what have *you* ever done?

DANNY:

(to **PATTY**, *twirling baton)* Stop that! *(thinking a moment)* I won a Hully-Gully contest at the 'Teen-Talent' record hop.

SANDY:

Aaahh, you don't even know what I'm talking about.

DANNY:

Whattaya mean, look, I could run circles around those jerks.

SANDY:

But you'd rather spend your time copying other people's homework.

DANNY:

Listen, the next time they have tryouts for any of those teams I'll show you what I can do.

PATTY:

Oh, what a lucky coincidence! The track team's having tryouts tomorrow.

DANNY:

(panic) Huh? Okay, I'll be there.

SANDY:

Big talk.

DANNY:

You think so, huh. Hey, Patty, when'dja say those tryouts were?

PATTY:

Tomorrow, tenth period on the football field.

DANNY:

Good, I'll be there. You're gonna come watch me, aren't you?

PATTY:

Ooohh, I can't wait!

DANNY:

Solid. I'll see ya there, sexy. Do a split, give a yell. Throw a fit for old Rydell.

*(***DANNY** *exits.)*

PATTY:

Toodles! *(elated, turns to* **SANDY***)* Ooohh, I'm so excited, aren't you?

SANDY:

Come on, let's practice.

PATTY:

Yes, let's! Come on girls

SANDY:

Girls!?

ACT TWO SCENE FIVE

Drive-In Movie Theatre

(Silence – **DANNY** *stretches, puts arm across* **SANDY'S** *shoulder.* **DANNY** *tries to get his arm around her. She moves away.)*

DANNY:

Why don't cha move a little closer?

SANDY:

This is all right.

DANNY:

Well, can't ya at least smile or somethin'? Look, Sandy I practically had to bust Kenickie's arm to get his car for tonight. The guys are really PO'ed at me. I mean, I thought we were gonna forget all about that stuff with Sonny and Rizzo and everything. I told ya on the phone I was sorry.

SANDY:

I know you did.

DANNY:

Well, you believe me, don't ya?

SANDY:

I guess so, it's just that everything was so much easier when it was just the two of us.

DANNY:

Hey, you ain't goin' with another guy, are ya?

SANDY:

No. Why?

DANNY:

*(***DANNY** *takes off school ring)* Err... oh... no reason...
(Has trouble removing ring...runs thru his hair and it comes off) gonna ask ya to take my ring. *(He holds out the ring)*

SANDY:

Oh, Danny... I don't know what to say.

(Danny puts ring on her finger)

DANNY:

Well, you want it, don't cha?

SANDY:

Uh, huh.

DANNY:

I shoulda given it to ya' a long time ago. *(They kiss. Danny does actions to "restrain" himself).* I really like you Sandy.

SANDY:

Danny, take it easy! What are you trying to do?

DANNY:

What' s the matter?

SANDY:

Well, I mean... I thought we were just gonna – you know – be steadies.

DANNY:

Well, whattaya think goin' steady is, anyway? C'mon, Sandy!

SANDY:

Stop it! I've never seen you like this.

DANNY:

Relax, will ya, nobody's watchin' us!

SANDY:

Danny, please, you're hurting me. *(***SANDY** *breaks away)*

DANNY:

Whattaya gettin' so shook up about? I thought I meant something to ya.

SANDY:

You do. But I'm still the same girl I was last summer. Just because you give me your ring doesn't mean we're gonna go all the way.

*(***SANDY** *opens the car door, and gets out)*

DANNY:

Hey, Sandy, wait a minute.

SANDY:

I'm sorry, Danny... maybe we better just forget about it.

*(***SANDY** *slams car door on Danny' s hand)*

DANNY:

(Yelling) Hey, Sandy, where you goin'? You can't just walk out of a drive-in!

KENICKIE:

Yeah? What are ya gonna do to her?

SONNY:

I'm just not gonna take any of her crap, that's all. I don't take no crap from nobody.

*(***MISS LYNCH** *enters)*

KENICKIE

Ok, Rizzo, if that's how you feel, why don't you go back to your little pajama party? Plenty of chicks would get down on their knees to ride around in this little number.

JAN

Hey, you want to stay over tonight, Rizz?

FRENCHY

SANDY

You dropping out of Rydell?

I don't look at it as droppin' out, I look at it as a very strategic career move. I feel like Rydell's a dead end for me. Like, all that educations just holding me back. I've had enough of Emily Dickinson!

MARTY

She that Sophomore?

FRENCHY

I feel like I'm ready to live up to my full potential you know. Do somethin', really make a difference in the world. Whaddya say?

ACT ONE - SCENE ONE

Rydell High School - Office

MISS LYNCH

Now, a few short announcements. We have a new rocket club starting up for our space enthusiasts, led by our own Eugene Felsnick. And speaking of explosives, the school district has decided this year to suspend our duck-and-cover exercises at the high school level since most of you are too big to fit under the desks. But please note we're actively looking for a place to build a new bomb shelter with enough room for almost everyone. Next Friday will be our first pep rally, and everyone knows you can't have pep without the cheer. So don't forget to sign up for cheerleading, girls, unless of course you've had a previous head injury. I want to see plenty if support for coach Calhoun and the Rydell Rangers. Remember, if you can't be an athlete, be an athletic supporter. And finally, the national bandstand television show is considering Rydell as a representative American High School to broadcast live from our gym. If chosen, we will have the chance to show the entire nation what bright, clean, wholesome students we have here at Rydell. Good luck to us all.
